

Ambulatory Community Physiotherapy – Edmonton Zone**Choosing to Pay for AHS Funded Services (Opting Out)**

Complete either section 1 or 2, depending on your situation. Sign and date the bottom of the page.

1. Initial AHS funded Assessment

There may be a wait for an Alberta Health Service (AHS) Ambulatory Community Physiotherapy funded Assessment. While waiting, you can attend physiotherapy by either paying privately or using your extended health benefits.

- ☐ I understand that by paying for and receiving physiotherapy assessment and/or treatments prior to an AHS funded Assessment, my condition may improve. If this happens, I may not be eligible for AHS funded treatments.

2. AHS funded Assessment and treatments

- ☐ Even though I am eligible for an AHS funded Assessment for this particular condition/problem, I choose to opt out of that Assessment and any funded treatments I may be eligible for as a result of that Assessment.
